### Child Care Spending in Federal Fiscal Years 2001-2008

Arizona Child Care Spending, FY 2001-2008  
(in millions of dollars)

\*According to the Arizona Department of Economic Security, overall child care spending increased by \$19.3 million (12%) between FY 2004 and FY 2005. Spending shown here, as reported to HHS, does not include unmatched Arizona State General Funds. In FY 2005, Arizona increased its use of State General Funds due to a lack of available CCDBG funding to meet an increased caseload. In FY 2005, non-CCDBG funds comprised nearly 30% of Arizona's child care spending, compared to over 1% in FY 2004.

CLASP calculations are based on:

<sup>1</sup>To calculate total child care spending in a federal fiscal year, we sum state and federal CCDBG funds (including liquidated TANF transfers to CCDBG and CCDBG funds appropriated in prior years but liquidated in the given year); TANF funds spent directly on child care; and additional state TANF MOE.

For further explanation of these categories, see [http://www.clasp.org/publications/ccspending\\_notes.pdf](http://www.clasp.org/publications/ccspending_notes.pdf). Analysis of state fiscal year expenditures may differ.

<sup>2</sup>State TANF MOE spent on child care included in the sum of total child care spending excludes funds that may have been counted towards CCDBG MOE.

<sup>3</sup>This is the total amount transferred to CCDBG in 2007 or 2008 regardless of whether it was liquidated in that year. TANF transfers that were liquidated in 2007 or 2008 are included above as CCDBG discretionary spending.

<sup>4</sup>This is the total amount of state TANF MOE spent on child care and includes funds that may also have been counted towards CCDBG MOE.

The following data are based on children who received child care assistance funded by the Child Care and Development Block Grant (CCDBG). Participation data on children who received assistance through other sources of funding, including the Temporary Assistance for Needy Families (TANF) block grant, are not available.
